

Q&A

WHAT MAKES JOBLIFT DIFFERENT?

Joblift is a job search platform that searches over 4,000 partner job boards. This allows users to clearly and simultaneously compare all relevant job offers on one site. Furthermore, Joblift stands apart from the competition thanks to its clear, data-driven and user-oriented focus. The result of which is a highly intelligent search algorithm, precise filters for more personalised results, intuitive navigation, and a user-friendly design.

HOW DOES SEARCHING FOR JOBS WITH JOBLIFT WORK?

To begin, the user specifies their desired job and /or location and can then personalise their search with a variety of filters, such as; sector, type of employment, and working hours. The user also has the option to easily sign up for automatic job alerts, which are delivered via email and ensure that relevant job offers never go unnoticed.

WHAT DOES JOBLIFT COST?

Joblift is 100% free! There are no hidden costs, fees, or payments.

WHO DOES JOBLIFT WORK WITH?

Joblift collaborates with a diverse range of job portals, including TotalJobs, Jobsite and CV-Library. Other partners include, Stepstone, Gigajob, Experteer and Jobware.
